Having undergone a fantastic transformation, this elevated 4-bedroom property is ideal for families or investors looking for a move-in-ready home in the Frankston High School zone. It's close to local shops/cafés, Bayside, PARC, hospital, TAFE, train station, schools, parks and easy freeway access. Boasting new aluminium windows and floating floors, plus new bathrooms and kitchen, it's also been freshly painted a crisp white to enhance the sunlit spaces and charming period details such as high ceilings, curved walls and decorative cornicing. Step into the front courtyard to find parking and a garage/workshop below the house, plus a curved staircase leading up to a sun terrace. The entrance hall leads to the new kitchen with glossy white cabinetry, large island, stone benchtops and quality appliances, alongside a spacious, light-filled living/dining room. At the front of the property, there's a large bedroom with mirrored robes and built-in cabinetry. Follow the hall past ample storage and the internal access for the garage, to the master retreat with BIRs, study nook, and new ensuite with bath, rainfall shower, vanity and toilet. There's a large 3rd bedroom and a 4th bedroom with BIRs and garden access, and these are serviced by a shower room with toilet and vanity, plus laundry. Sliding doors open to a level garden with a deck, a covered patio, pond and mature trees, and a cubby, and offers potential for keen gardeners or families. Features: • 4 bedrooms, 2 bathrooms • Gas ducted heating, RC/AC • Garage, off-street parking • Convenient location in FHS zone <https://www.obrienrealestate.com.au/office/obrien-real-estate-frankston/22161>
