This stunning, split level warehouse conversion has everything you need and a bit more. First floor, from a generous hall, offers two well sized bedrooms with built in robes, one with AC and both with hydronic heating which features throughout the home. They are serviced by a modern bathroom with shower over bath, with a discreet Euro laundry completing the level. Mid level offers a stunning space - soaring ceilings, lovely light. A large, flexible living/dining area has easy access and flow between the internal courtyard, and the modern kitchen, which has excellent storage and stainless steel appliances. The top floor is your master suite - generous bedroom, built in robes and unique warehouse bathroom with openable glass ceiling. With heating and cooling exactly where you need it, secure and private ground floor entry, an offstreet carpark and a location in the beating heart of Collingwood - you need to see it to believe it. Perfect for WFH, perfect for downsizing, perfect for a first home together... Register to inspect today!
