Situated on a flat 625sqm battleaxe block, this custom-built home is only 11 years old and in excellent condition. There are 4 bedrooms all with built in robes, ceiling fans and roller shutters and the main with a walk-in robe & ensuite. The living areas are huge, with a separate carpeted lounge room, a fully enclosed glass Queensland room and the main open plan tiled family/dining which flows to another carpeted lounge area. This room features a combustion fire and the entire house has reverse cycle ducted air conditioning. The kitchen is in very good order with plenty of cupboards, a dishwasher, 900mm gas cooktop and an electric oven. There is also a spot for a second fridge or freezer in the laundry adjacent to the kitchen. The double garage is extra-long to fit a big 4wd and has a remote door and internal access. The yard is fully fenced with plenty of room for the swings and a fire pit. Book your inspection today.
