Perfectly situated at the end of a quiet cul-de-sac ensuring year round peace and privacy, this four bedroom, two bathroom family home is sure to impress. Being built in 2015 ensures all the modern day comforts of a contemporary home, double glazed windows throughout, gas for cooking and hot water, stone benchtops and oversized appliances are just some of the qualities this home possesses. A second living area downstairs adds versatility to this home and will suit a myriad of uses. The gardens are low-maintenance and feature a number of vegetable beds and fruit trees.

- Immaculately presented, low-maintenance
- Double glazed windows throughout
- Contemporary open plan living and dining
- Versatility of second living area downstairs
- Seamless integration of indoor/outdoor living
- Deluxe kitchen with oversized appliances
- Luxury + convenience of gas cooking and hot water
- Four bedrooms, master with ensuite
- Expansive under house storage area
- Remote double garage and workshop area
- Beautiful low-maintenance gardens, full of colour
- Close to all major amenities, schools and buses
