ENJOY THE FEEL OF A NEW HOME IN THIS 3 BEDROOM HOME WITH ITS GREAT RENOVATION. Everything is new and fresh inside and how good does it feel. The home is three bedrooms and well priced in the \$300s. The roomy living area extends onto a very large enclosed front verandah giving loads of space for family life. There are ceiling fans throughout. A big kitchen and dining area extends to even more living space. A nice bathroom with shower is great and the home has an upstairs laundry too. The land is 746 square metres and is fully serviced. We do recommend that you call to arrange an inspection and we look forward to showing you your new home or that next investment.
