Sitting on the 10th floor of the wonderful Surfers Aquarius building comes this massive 145m² unit. Yes it needs a total renovation, but in the meantime you have lovely tenants who have been there for years and have cared lovingly for it. Offering terrific views of the skyline and river. They just don't make units this big or solid anymore!! With 2 bedrooms, 2 bathrooms the potential this unit offers is immense. You can literally walk out the back of the complex onto the beach! With full resort facilities including indoor and outdoor pools, Gym, tennis court, sauna, squash court etc. Tenanted until March 2024. They don't come up for sale in this building very often and the price is amazing for the astute investor.
