Shopaholics and retail workers will love this apartment's proximity to Southland, but the chic and stylish abode is also destined to attract city commuters in droves thanks to its position near public transport and all essential amenities. Situated at the end of a low-traffic cul-de-sac, just footsteps to a fabulous array of shops, cafes and Southland station, this top floor offering is bright, fresh, and ready to be enjoyed. Privately positioned, it features an open plan living/dining area, contemporary kitchen with stainless steel appliances (including gas cooking) and a sleek bathroom/laundry with fashionable mosaic feature tiles. The spacious size main bedroom offers built in robe and boasts direct access to the bathroom as well as the broad entertainer's balcony. Also offering a generous size second bedroom while wrapping up a wonderfully carefree package are split system heating/cooling, secure intercom entry and basement parking. There is also a communal courtyard within the complex for all residents to enjoy. Beachside of the highway, this desirable pocket is popular with families, retirees, professionals, and lifestyle buyers in equal measure, and this is an exciting opportunity to immerse yourself amongst it all.
