Occupying a premier top floor position in a boutique block of 12 with lift access, this sun bright apartment captures panoramic views of the surrounding district as well as generous ocean glimpses. Freshly presented throughout and enhanced by modern updates, it presents as an exceptionally comfortable retreat as-is, with plenty of remaining scope to add substantial value and truly capitalise on its luxuriously oversized layout and highly desirable, coastal locale. From here you're only minutes stroll to The Spot's restaurant/cinema precinct and a short walk to the golden sands of Coogee Beach. The floorplan embraces wide alfresco balcony flowing from the air conditioned living/dining space. Other features include a renovated kitchen with a stainless steel oven and ceramic cooktop, a full-sized original bathroom, built-in wardrobes, an internal laundry adjoining a second balcony and secure undercover parking.
