Set on the edge of town with privacy and space, this property is a very unique offering in the local market. Sitting on just under an acre of land this newly (fully) renovated family home, stunningly finished studio and amazing landscaped gardens with natural pool combine to make a truly exceptional property. Features of the home include:- 4 bedrooms ensuring space for everyone.- Master suite with WIR and ensuite.- As new main bathroom with separate WC and laundry.- Central open plan living area which bathes in natural light all day.- Large kitchen with high end appliances and stone benchtops.- Hardwood timber floors throughout.- Ducted RC air conditioning and slow combustion wood heater ensuring year round comfort. Outside the fully landscaped and mature gardens provide interest and privacy for the whole family. A natural pool has been created to provide a space to cool off after a long, hot summer day. The large self-contained studio is finished to the very high standard of the rest of the house. Fully insulated, with air conditioning this is an extremely comfortable space and is sure to impress. An amazing opportunity to secure a lovingly restored property in town with the privacy of acres. With nothing to do and so much on offer this property is sure to stand out from the rest.
