Sanctuary Ferny Grove is a new, boutique residential townhome community in the thriving suburb of Ferny Grove, just 15km north of the Brisbane CBD. Unit 11 is a three bedroom, 2.5 bathroom townhome, including open plan living area, lock up garage and built in study nook, upstairs front balcony, plus a large private landscaped courtyard with covered alfresco entertaining area. The many standard features of this new townhome include ducted air conditioning throughout the home, gas cooktop, built-in robes, quality stainless steel appliances, stone benchtops, NBN connectivity, full upper and lower kitchen cabinetry, low maintenance landscaping and all privacy and security screens and blinds. All our townhomes are delivered completely turnkey inside and out, and ready to move in. Other features at Sanctuary Ferny Grove include communal greenspace and recreational area and leafy surrounds on two sides. Unit 11 offers a long list of fine features including: 1. Leafy boutique community 2. Three spacious bedrooms with built in robes 3. Built in study nook 4. Private fenced large rear courtyard with landscaping 5. Ducted air-conditioning throughout the home 6. Remote controlled lock up garage 7. Main bathroom, ensuite to master bedroom and downstairs powder room 8. Full cabinetry kitchen with tiled splashback 9. Premium stainless-steel appliances, stone benchtops and gas cooktop 10. Open floor plan with separate large living and dining areas 11. NBN connectivity 12. Quality building materials throughout 13. Low body corporate fees include building insurance Construction is currently underway with completion expected Q1 2025. For the full list of all inclusions, specifications, floor plans, and townhome availability at Sanctuary Ferny Grove, contact us today on 07 3333 2009.
