Introducing a lovely townhouse that has been designed with comfort and convenience in mind. This property features a chair lift that provides easy access to the second floor, allowing you to enjoy all the areas of the home without any hassle. Located in a quiet location, this townhouse is perfect for those who value convenience and accessibility. With the added benefit of a single lockup garage to keep your car secure, you'll never be far from all the amenities you need, including shops, medical centres, sporting grounds and public transport. Constructed with durable brick and a tiled roof, this property is built to last and will provide you with a safe and secure home for many years to come. The interior is well presented with a spacious living area, a modern kitchen, and two comfortable bedrooms that offer plenty of room for relaxation. This home is perfect for couples or those who are looking to downsize while still enjoying a comfortable and convenient lifestyle. Don't miss out on this opportunity to secure this beautiful townhouse. Contact us today to book your inspection!
