## Contact agent

We're thrilled to share yet another success story! The charming 2-bedroom townhouse at 11/26 Pine Avenue, Beenleigh, has been sold for more than the seller's expectations, with the added bonus of allowing the tenants to remain in place on their current lease. This property selling to an investor from our exclusive database, with no need for online marketing and minimal disruption to the current tenant! Not all properties need to go on the market to find their perfect match, and we're delighted to have achieved this once again. This achievement underscores the satisfaction of both sellers and buyers in today's dynamic market. Curious about where your property stands in the market? Reach out to me for a personalized market update on your home or investment!
