\$650,000 - \$700,000

Discover your Bayside hideaway on the border of Brighton East and find fresh style, great space, and a garden to be wrapped in! Hidden away in the sunniest, most serene, corner of this groomed garden group, this polished villa-unit shines with an up-sized two bedroom floorplan featuring a large lounge with green garden views, and a big master bedroom with a vastly versatile walk-in robe. Shining with a sun-filled Shaker-style kitchen with meals, this stylish unit is optioned up with a light all-white bathroom (with separate shower and bath) and a large separate powder-room. Fully-renovated and filled with light, there's nothing more to do here but relax in reverse-cycle air-conditioned comfort, enjoy the ease of solid timber floors, and appreciate the peace of mind of a secure garage. Then step out into the afternoon-sun-filled wraparound courtyard and entertain al fresco! Located for lifestyle in a brilliant Brighton East border position, this quiet rear unit represents outstanding Bayside lifestyle value with handy local shopping just down the road, the dog park and sport facilities of Dendy Park around the corner, and a major rail, retail and restaurant precinct within minutes' walk.
