CONTEMPORARY TOWNHOME WITHIN WALKING DISTANCE TO CAFES AND WATER

This contemporary townhome exudes sophistication and boasts a spacious and practical layout making it perfect for couples or families alike.

Perfectly positioned in an elevated location the property enjoys alluring bay breezes in the summer months and is located within a short walk to childcare facilities, parks, cafes and Wynnum waterfront.

The hostess kitchen, complete with stone bench tops and stainless-steel appliances provides ample space for meal preparation and forms the heart of the home. The oversized living space, tiled flooring, sleek contemporary design and ducted air-conditioning system ensure the home can be enjoyed in comfort year-round.

The three generous bedrooms are located upstairs and are all appointed with built-in robes and ceiling fans. Also on this level is a large rumpus space ideal for a study or children's play area. The master bedroom boasts its own ensuite, closet space and a balcony.

Whether you're entertaining a few at home within the private patio running off the living area, or entertaining many family and friends at the community hall beside the sparkling pool and BBQ area, this property allows you to sit back, relax and enjoy your new bayside lifestyle!
