Brilliantly positioned just off Gertrude Street, this first floor studio apartment offers exciting potential for the creative and energetic first home buyer or investor to add value with some thoughtful upgrades. In a solid brick block of only 18, the apartment enjoys a street aspect and northern light from its N/E corner position, and could be easily renovated to provide a comfortable, albeit compact, and affordable entry into one of inner Melbourne's most highly regarded locations. Please note: car space on title. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
