Step into this elegant two bedroom townhouse with a tiled entryway that sets the stage for sophistication. The stylish kitchen features a ceramic cooktop, oven, and a reliable Bosch dishwasher with ample storage space and stunning stone benches—a haven for cooking enthusiasts. The link to the northerly courtyard with keypad entry adds an accessible touch, while space for a laundry facility is a practical feature. The spacious meals and living area are cooled by a split system air conditioner and is flooded with natural light, thanks to sliding doors that lead to a second courtyard. Upstairs, two carpeted bedrooms feature built-in robes, Luxaflex honeycomb blinds and ceiling fans for comfort. The master bedroom even includes its own split system air conditioning unit. The fully-tiled bathroom is complete with a large rain shower and mirrored storage, while the carport offers convenience. A short stroll to Queens Park, Moonee Ponds Central, exceptional schools, and convenient transport links.
