\$800 per week

Fully furnished, this apartment offers a comfortable and convenient living space that includes three bedrooms, each with built-in robes, and two bathrooms, with an ensuite off the main bedroom. It has a spacious kitchen and living area, a balcony for some outdoor space, and a laundry area. The apartment is equipped with a split system for efficient heating and cooling, and comes with one car space. Residents also have access to some unique common facilities including a tennis court, swimming pool, and a BBQ area, enhancing the living experience with added amenities.
