Ready For Renovation This single fronted Victorian terrace has been long cherished but is now in need of some TLC and gives the blank canvass for you to create your own masterpiece. On the north side of the street with a deep block with rear older garage and laneway access the house provides two front bedrooms, a central lounge, kitchen and amenities to the rear. Not for the weak of heart or TV weekend warrior but if you've the skill set or the desire you can acquire an entry level property and go about its transformation.
