Presenting this Bob Imray built quality home with outstanding features along with amazing views. They don't build them like this anymore, architecturally designed to maximise the views on all angles, giving you a unique property different to the norm. Beautiful wooden floors and timber work featured throughout. Living zones all having views, the kitchen being the hub, bedrooms are all large, a family area at the top of the home leads to the fabulous patio area, again with amazing views! This will not last long, a fabulous opportunity call exclusive consultant Gail Clarkson 0419 945 235 to arrange your viewing
