Amazing home in the south coast seclude enclave of North Bendalong .Thoughtful solar passive design by the owners with attention to detail.On the upper level are front and rear expansive balconies with ocean and national park bushland views. .Open plan lounge, dining and kitchen with all the modern conveniences.The two large bedrooms also have access to there own bathrooms, the master also having a walk through robe. The lower floor can be fully self contained with a share laundry and double lock up garage. Additional undercover off road parking and outside shower for rinsing off after a morning of enjoying local beaches. Water tank underground and solar system feeding back into the grid. To arrange a private inspection please contact our office on 4456 1500
