Located in a sought after estate is this Porter Davis built family home. If you are looking for a great home with plenty of space to spread out then this is the one. The home comprises four bedrooms, and three living areas. The open plan central kitchen area overlooks the main family area then flows through to the rumpus room. The kitchen comes with all stainless steel appliances and Granite benches. The bedrooms are all a great size, with built in wardrobes. The master suite comes complete with an ensuite and its own walk in wardrobe. The third living area splits the three bedrooms to give a great area for kids to spread out, or an area to just chill out away from the rest of the home. And you can also enjoy some outdoor entertaining in you outdoor pergola area. There is also a double remote garage with internal access, ducted heating and evaporative cooling and solar panels for electricity to save on the bills!
