This is Position Buying! Land Banking for the future if you like. Very clean and comfortable living as is or an excellent Rental property. Positions like these are ideal for the removal of the dwelling and a new high end build to take its place - imagine a 2 story home with big front decks to enjoy those views as well as the great position. Leave the car behind and stroll to the restaurants. The home currently has plenty of living space and there is lots of benches and cupboards in the kitchen. 4 bedrooms, large under cover entertaining area at the rear, air conditioning, deep bath tub with shower over, separate lavatory, near new iron roof, double garage with mains power. Position buying in the sub \$400,000 range is now very rare indeed. Generous 1/4 acre allotment with gentle slope from the rear to the street. New privacy side fencing.
