Constructed on one level and situated in a quiet area, close to schools, with leafy surrounds and glimpses of the river and mountain, this large family home would suit a range of occupants. This is a versatile home with up to five bedrooms or three bedrooms with a couple of individual office/study areas. It can be easily adapted as needs change. Adults, children or teens can each have their own private space. Recently renovated, the house has an open plan kitchen/dining leading onto a spacious sunny deck which draws in light and warmth year-round. The main bedroom has an ensuite and there are built-in wardrobes in four rooms. The wonderful new kitchen would appeal to the fussiest of chefs. A walk-through second living room could serve a multitude of purposes from TV room to study or hobby area. There is a heat pump and panel heaters and the living area also has a double sided fire place. Gas hot water is available for the main bathroom and kitchen. European double-glazed windows keep the home well insulated and the easy-care flooring makes for low maintenance living. A 12 month Lease Agreement is preferred. Pets will be considered.
