This property has seen many wonderful years as a family home to its original owner, but now it's time to give this home a new lease on life. If you are into the retro vibe of the home, some fun time enhancing the home's original features could be just for you. It has some lovely sunny front bedrooms and has many really great features. Although my favourite idea would be to knock it down and rebuild, to take full advantage of the large block and build a wonderful home and granny flat (live in one and rent one). Or build yourself a larger family home perfectly suited to your own needs. There are just so many options! Owner and Principal Sadik Karim looks forward to presenting this home to you, and helping you explore all of its potential. Perfectly located a short drive to everything you need - St Patrick's college, Campbelltown mall, Campbelltown hospital, Campbelltown Train Station, Macarthur Square and just 15 min to western Sydney uni. **DISCLAIMER:** Every precaution has been taken to establish accuracy of this information but does not constitute any representation by the vendor or agent.
