Situated in a quiet cul de sac, this gorgeous home is a plum. Featuring 3 good size bedrooms, all with BIR and ceiling fans plus an air conditioned activity area. Just perfect for the kids or an ideal study. The master bedroom is airconditioned and has a ceiling fan. The semi ensuite services all the bedrooms and also has a WC as well as the laundry having one also. The open plan living area has both air con and ceiling fan. There is also a second living area down the hall. The outside entertaining area is a treat. Room for all under the gable patio. Beyond this is a grassed area with established olive and fig trees plus a good size garden shed and chook pen. This is an ideal first home or downsizer for those looking to enjoy an easy-care home and only a short walk to the Mt Tarcoola school.
