Sales Office
0354474088

\$269,000

Limited opportunities become available in the Quarry Hill /Spring Gully area so now is the time to secure this block. The 585m2 allotment is fully fenced and all services are available. There is scope for a single dwelling or possible unit site (STCA) as there are limited covenants and the land is reasonably flat. The position is just a few minutes' drive from the Bendigo CBD and there are many options for getting out and about with walking tracks heading in several directions, or you could take advantage of the many cafes not far away. For further information or a copy of the Vendor Statement, contact listing agent Nathan Diss on 0448 010 057.
