Nestled in a quiet and serene neighbourhood, this modern 3-bedroom, 2-bathroom home offers the perfect blend of comfort, style, and functionality. Boasting large bedrooms, a master bedroom with an ensuite, WIR and a plethora of desirable features, this residence is designed to accommodate your family's every need. Step inside, and you'll be greeted by spacious bedrooms that offer ample space for your family members to relax and unwind. Each room is thoughtfully designed to provide privacy and comfort. The highlight of this home is undoubtedly the master bedroom with an ensuite bathroom, ensuring you have a private oasis to call your own. The two well-appointed bathrooms provide convenience, the main bathroom features a separate shower and a freestanding bath, inviting you to indulge in a spa-like experience after a long day. High-quality fixtures and modern design elements add an extra touch of elegance to the space. Step outside to discover a peaceful undercover entertaining area that beckons you to host gatherings and create lasting memories with family and friends, this area is perfect for all occasions. The secure yard ensures that your loved ones, including pets, can freely roam and play without any worries. The large double remote garage provides secure parking for your vehicles while offering additional storage space for all your belongings. The thoughtfully established gardens create a welcoming and appealing atmosphere, adding to the charm of this lovely home. For those with a spirit of adventure, the property also includes ample room for a caravan. Whether you love weekend getaways or plan extended trips, your caravan will have a designated spot, ready to embark on new adventures whenever you are. Don't miss this opportunity to make this modern, spacious, and inviting house your home. Embrace the comfort, security, and convenience it provides, creating a lifetime of cherished memories for you and your family. Arrange a viewing today and take the first step towards living the low maintenance life. Contact Brad Green now 0458 663 555.
