You can see the attraction for retirees to be drawn to the pretty town of Bonalbo as their base due to its affordability or to escape the busy world for a simpler life. A quiet village that has most of the services you need, hospital, post office, pharmacist, police station, community centre (which includes a community bus to Casino), hardware store, pub, grocery store, pre-school and a school (K-12) and only an hour drive to Casino and an hour and twenty minutes to Tenterfield. This Federation timber home is on a large block with the bonus of rear street access for your caravan and/or trailers. The home is centrally located, within walking distance of shops and services. Featuring three bedrooms and a sleep-out/study the home is packed with features. Modern kitchen and bathroom, air con, ceiling fans and timber floors under carpet just waiting to be restored. The separate lounge room with its gas fireplace is a cosy place to relax to watch TV, listen to music or read a good book. Sunny days can be enjoyed on the covered back timber deck looking out over the large back yard with the company of the local birds. The home has a carport and an old timber shed that adds character to the home however it needs restoration. Please note, there will be NO OPEN HOMES held and inspections are exclusively BY APPOINTMENT including evenings and weekends.
