4 Bed Home with Rumpus + Study

Welcome to the dream family haven in a premium location. This home makes a spectacular first impression as it welcomes you with a light-filled void in the spacious entryway, amplifying the sense of openness and brightness that defines its design. Discover surprises in every corner of this home. Prepare family feasts in the gourmet kitchen, complete with a sizable kitchen island. Experience indoor/outdoor entertainment year-round in the expansive family area and adjoining alfresco space. Accommodating elderly parents or overnight guests is easy with the 4th bedroom downstairs, conveniently located next to the bathroom. The view from upstairs continues to impress, with the upper rumpus for relaxation, a spacious family bathroom, and three large bedrooms, providing each family member with their own private space. Additionally, a small balcony adjoining the study is the perfect spot to take a break and bask in the sun, making it an ideal setting for those seeking peace and quiet while working from home.
