Come home to comfort, a haven that is all your own with beautiful views, lovely presentation, and recent renovations adding modern appeal. The character and quality is evident throughout this property, with a relaxing atmosphere and sunny and leafy outlooks through the plentiful windows. Under soaring ceilings, open living flows from the front lounge and dining to the kitchen/meals that perfectly connects to the covered alfresco amidst luscious gardens. A striking renovation of the kitchen combines style and streamlined simplicity with perfectly white cabinetry, sparkling stone benches incorporating a breakfast bar, a dishwasher, and a character cooker matching the glass splashbacks. Three bedrooms include the privately placed master at the rear, and they all share the renovated bathroom with vessel basin vanity and large shower. There is ducted heating, ceiling fan, and reverse cycle heating and cooling for year-round comfort. Outside, you will relish the space surrounding the home, a generously sized backyard with abundant lawn area, easy-care yet beautiful plantings, and a far-reaching vista to the distant mountain ranges across the Valley. Located within an established neighbourhood close to playground, shops, and schools, it is well placed for easy access to shopping centres, transport, and the Yarra Valley.
