Parking in one of the two garage spaces or in the ample driveway, enter this well-appointed, feature filled family home. As you step inside, find the fifth bedroom before the home truly opens up. The stairway is then to your right, followed by a powder room and the laundry with great storage and outdoor access. No detail not thought about, as underneath the staircase is a storeroom. To the left, the bright fourth bedroom, well positioned with potential to be an additional work or study space. Follow through to the vast open plan living space, this home is an entertainer's dream. The dining area sits adjacent to the open kitchen, perfect for the social cook! The kitchen with ample storage, features stainless-steel appliances, including double drawer dishwashers, oven, microwave, and stunning cook top hood. The living area then extends to a glorious verandah, overlooking the sparkling pool, making this a truly indoor-outdoor space. The verandah, with ceiling fans, also offers a great space to watch the kids play and has convenient entry via the garage. Stepping back inside and up the stairs, the cosy family space opens to an incredible decked balcony. The master suite, with direct access to the balcony, also features fantastic walk-in robes leading to a stylish double vanity ensuite. Bedroom two is bright with built in robes and air conditioning, the same with bedroom three. The second living area can be used as a teenage retreat and has access out to the balcony which catches the dry season breeze or a great place to watch the wet season storms. The main bathroom also sits at this level with clean lines, bath and shower. Taking the steps from the balcony deck, the lush grounds offer this home a tropical hideaway. Sip a cocktail from the gazebo as the family enjoys the glorious pool. The boat garage then gives additional secure storage. With parks, shops and schools on your doorstep, this turnkey family home won't last long. Don't miss this dream home opportunity!
