A classic time capsule with much retro allure, this mid-century family home has been tailored to engage with a beautifully planted garden and northern sunshine throughout the day. On a tightly held and tree-lined boulevard, a gallery-style entry hall with banks of north-facing glazing introduces a stunning backdrop of polished floorboards and eye-catching vaulted ceilings. With four bedrooms, two bathrooms and a study, there are two distinct living zones to enjoy. At one end, the family room spills outside to the sun-dappled backyard while at the other, the lounge and dining room sits alongside a study alcove, bright kitchen and garden door. Just moments from enchanting Blackburn Lake and Blackburn Lake Primary School, simply stroll to Forest Hill Chase and the bus to the train station and vibrant cafes. Retain the perfect period style and renovate for contemporary comfort (STCA). * Mid-century four bedroom, study and two bathroom home * On 910 sq m approx. in a tree-lined street * Two separate living areas * Faces north to maximise natural light throughout the day * Polished floorboards and vaulted ceilings * Powder room * Ducted heating * Single carport Terms: 10% deposit, balance 30/60/90/120 days
