Positioned just off the famed Renoir Crescent at the end of a no-through road, with only one neighbour, you are going to love the seclusion and privacy this home offers. Featuring a master bedroom complete with ensuite, walk-in-robe and ceiling fan. The three additional bedrooms are positioned at the opposite end of the home, all including built-in wardrobes, ceiling fans and serviced by the main bathroom with a separate shower and bathtub. Central to the home is the kitchen, serving the tiled open plan family and dining area, perfect for everyday use. The kitchen position allows continuous connection between host and guests to the adjoining dining room and outdoor entertainment zone. The floorplan has an additional carpeted living room situated away from the central family space, providing a secondary living option for further relaxation. The covered patio connects to the central hub of the home including the kitchen. The backyard still provides enough space for children's play equipment and family pets.
