Immaculately maintained on a corner 563 sq. metre (approx.) allotment, this 3-bedroom, 2-bathroom home showcases a distinctive character throughout its pristine interior spaces, placed in one of the area's most convenient family-focused locations. Easy-care cottage gardens and a heightened facade reminisce with an immediate sense of home, stepping into an adaptable arrangement of living spaces designed to adjust to the growing family. Separated living and dining spaces wrap around a laminate kitchen, stepping out to a covered deck perfect for relaxed afternoons or lively entertaining. Side access gates are ideal for the tradesperson or those with a boat or caravan, stretching to a covered space ready for the camper trailer or a handy workspace separate to an extensive double garage. The well-zoned master bedroom sits at the front of the home with a spa ensuite, with two additional robed bedrooms serviced by the central main bathroom, separate toilet and laundry. Comforted with ducted heating, split-system air conditioning and outdoor blinds, it sits moments from Casey Central, Springhill and Thompson Parkway shopping centres, Lyndhurst Secondary, Courtenay Gardens Primary, Cranbourne Golf Club, Merinda Park Station and easy highway access.*Please note: Photo ID is required for all inspections*
