Outdoor living is the star of the show here; with an absolutely massive timber deck spanning the whole rear of the house. This gorgeous space more than doubles your living areas and makes for the perfect spot for the whole family to come over to your house for a bbq. And leading straight out to well fenced and easy care gardens; the kids can play safely whilst you relax. Inside is also a real treat, with both evaporative and split system cooling throughout for maximum comfort. Well proportioned, tiled living areas lead thorough to a modular kitchen with loads of benchspace, and plenty of cupboards, plus an electric oven, glass cooktop and rangehood. With three bedrooms all offering more cool tiled floors, split system airconditioning and built in robes, the whole family has room for peace and quiet here. There is a great tiled bathroom offering a screened shower stall, vanity and separate toilet, plus built in storage cupboards. The laundry is also another great practical consideration, located handily just down the hallway from the bathroom; and with direct access to the rear deck, laundry day will be a breeze. As well as all this excellence, this lovely home also offers not one but 3 garden sheds and a massive 24 solar panels, giving you 24kw system to save you money!
