Welcome to the house of your dreams - this multi-level masterpiece, boasting 5 spacious light-filled bedrooms, 2 living areas, a home office and a pool is the epitome of family living and entertaining. Sitting in the heart of the Village on approx. 715 sqm of premium land in a sought-after cul-de-sac location, this oversized oasis enjoys magnificent parks, shops and the best local schools right at its door. The moment you step inside this architectural wonder, you are captivated by the magnificence of the cathedral ceilings and coziness of the fireplace in the front lounge. As you continue your journey through the elegantly designed dining and living areas with stylish exposed brick, you find yourself in the incredible north-facing kitchen-meals space that flows effortlessly to the BBQ-plumbed al fresco deck. Here you relax in your private backyard, soaking in serenity of well-maintained gardens. An enormous solar-heated swimming pool is sure to become a favourite place for parents, kids and pets to splash during the long hot summer days! The master bedroom upstairs strikes you with its generous size, dual walk-in wardrobe, double-shower ensuite and a private balcony with stunning park views. With a versatile layout spanning four additional bedrooms and three bathrooms, there will always be enough space for extended family and friends. A sizeable double garage and enough room for up to four cars, trailer or caravan behind secured gates, make this property a true gem for outdoor enthusiasts. This quality built and lovingly maintained solid brick home offers an unrivaled combination of luxury and convenience for all family members.
