14.47 Ha of waterfront land within a close proximity to towns and beaches. This is an ideal opportunity to purchase your own piece of paradise to escape the hustle and bustle of life. Bikes, Boats, kayaks, fishing and horses are just a few activities you can do. The property is situated with direct river frontage to the Lansdown River on Jones Island, it has both boat and vehicle access and joins hundreds of kilometres of water channels to navigate and explore all the way from Harrington approx. 10 mins by boat or to Wingham in the west. Lansdown River flows into the Manning River which is the only two delta river in the southern hemisphere. By boat you can visit several of the local clubs, pubs and bistros with the closest only 500 meters downstream. Visit, enjoy, camp, or just make it a base for the avid traveler. This is a rural type block and it has no dwelling entitlement so building a home at this stage is not an option but also reflects why this block will sell in a cheaper price range than you might first expect.
