Renovated and modern on the inside, this single fronted cottage still maintains its character and Goodwood charm through its ultra high ceilings and yesteryear features. Convenience a huge plus, being nestled away in a quiet cul de sac yet being walking distance to the tram into town or Goodwood Rd / KW Rd for all they have to offer. There are 3 bedrooms, all with built in robes. The master and the upstairs one (via the spiral staircase, great for a home office!) both have air conditioning in them as well. Stylish and spacious modern kitchen with heaps of cupboard space, gas stove, built in oven and dishwasher. The modern bathroom with separate laundry goes down a treat. Outside is a nice lawn courtyard with bench seat and a garden shed. Solar panels on the roof to help keep your bills down. Property is unfurnished.
