Looking for the perfect blend of convenience and comfort? Look no further! This recently renovated gem nestled in the heart of the hospital precinct offers the ideal living space for first home buyers, investors, retirees or anyone looking to buy and move straight in. This tastefully renovated home boasts 3 bedrooms, all with built-in robes, a family bathroom and ensuite, a lounge room with study nook, and a comfortable kitchen/meals area with galley kitchen, free-standing stove and dishwasher. Relax and unwind in your own private outdoor alfresco area, perfect for enjoying those sunny days and balmy evenings, overlooking the secure backyard. The brick garden shed will be well received for storing all your gardening tools and equipment and the single carport takes care of the car. Enjoy the ease of living close to the hospital and sporting precincts, with supermarkets and schools only minutes away. Take the first step towards owning your first home, increasing your investment portfolio within a great location near the hospital, or just buying a comfortable home. Move in and enjoy!
