Where else can you buy a prime building block sitting at elevation with sea views at this price?! Sitting on the top side of the street to allow a home design with a flat backyard (STCA) for family friendly living I challenge you to find a better value option if building your dream home is your desire. A short drive to Burnie CBD or the shopping precinct of Wivenhoe and a short walk to the local primary school for those school days this 450m² (approx.) residential building block wont last long at this price. *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy. Prospective purchasers are advised to carry out their own investigations. All measurements are approximate.*
