**** Water consumption is the responsibility of the tenant.**** Pets may be considered upon application - Approval will be at the discretion of the homeowner - special terms will be stipulated in the general tenancy agreement should pet approval be granted. Current legislation requires tenants to get written permission in their tenancy agreement to have a pet in their rental property and stipulates they are also responsible for any damage to the property caused by their pets. The special terms can also stress that tenants have the property fumigated and the carpets cleaned when their tenancy is up. An Owner still has a right to decline a pet request even when this legislation comes into play, however, they must provide a reason under the new grounds stipulated under the legislation change.
