Capturing stunning hillside views from the undercover entertaining area and light-filled living spaces, this meticulously renovated four bedroom, two bathroom residence promises relaxed family living in a sought-after neighbourhood. Impressing any cook, the ultramodern kitchen boasts stone benchtops, breakfast bar, glass splashbacks, ample cabinetry and quality appliances. The adjoining living/dining space, enhanced by plantation shutters, built-in bar and polished hardwood floors, opens to an undercover area, perfect for alfresco dining and entertaining. Enjoying two private balconies, the luxurious master bedroom also features a walk-in robe and stylish ensuite. A central bathroom, anchored by a clawfoot bath, services the other generous bedrooms. Downstairs, a rumpus room and cellar provide flexible living spaces which could be used as an extra bedroom or home office. A garage, carport and side drive lined with fruit trees provide plenty of off-street parking while ducted heating, evaporative cooling, solar panels, external roller shutters and shed add to the comfort of this fantastic home. Close to Keilor Village, transport, parklands, schools and freeway, the location is unbeatable.
