Impressive is an understatement when it comes to describing this impeccable 4-bedroom, 2-bathroom Hamptons-inspired residence that has undergone a top-to-bottom renovation, leaving no detail untouched. Prepare to be amazed by the sheer opulence, a testament to unparalleled craftsmanship and elegance. From the moment you lay eyes on its stunning façade adorned with exquisite silver Travertine pavers imported directly from the Turkish factory, you'll realise you've found something truly extraordinary. The timeless beauty of the natural stone, laid in a brilliant French pattern, sets the tone for the exceptional quality that awaits within. Inside, sophistication meets premium finishes at every turn. The fully furnished interiors boast high-end Bora dining table and chairs, bar stools, and a Pottery Barn chesterfield sofa from the USA, along with a luxurious Eureka full three-bay library. The centrepiece of the home, the Hampton shaker-style kitchen, is a chef's dream come true, featuring top-of-the-range appliances and a gleaming 3.2m exclusive imported Italian "Carrara" stone island bench. Entertaining is a breeze in the expansive open-plan lounge and dining zone, complete with a stone feature inset fireplace and glass bi-fold doors that seamlessly connect indoor and outdoor living spaces. Step outside to the large entertainment area, complete with a flyover roof, ideal for BBQs and gatherings with friends, or simply to relax and unwind. Every corner of this home exudes luxury, from ornate stone feature walls to custom-built doors and cabinetry, wide hallways, and imported bi-fold doors. Direct from Turkey, stack-stone adorns both fireplaces, the floor-to-ceiling wine wall, and the entrance to the patio. A sprawling 1010m² block with convenient side access, immaculate lawns, private PVC fences, and two street access points. The master suite is a private oasis, featuring a sophisticated feature wall, indulgent ensuite, custom-built walk-in robe, and glass doors opening to a private outdoor retreat. Three additional spacious, plush-carpeted bedrooms offer peace and quiet, separate from the living spaces. Polished wood floors, pendant lights, plantation shutters are showcased throughout. Beautifully appointed bathrooms are adorned with floor-to-ceiling marble-look tiles, LED backlit bathroom mirrors, and a freestanding stone bathtub in the main bathroom. With split system air-conditioning throughout, year-round comfort is assured. Located just minutes from schools, Capalaba Central Shopping Centre, parks, and reserves, this home offers an exceptional lifestyle for families.
