Imagine this, morning coffee sitting in the sun, views out across Bass Strait and along Penguin beach - all from the comfort of your own dining room. You don't have to imagine, it can be reality! This very neat 3 bedroom home has lots of space and plenty of room for all the family. The large lounge flows through to the open plan dining/kitchen and boasts all day sun plus fabulous views. Downstairs is space for the kids to play in the rumpus with the bonus of a handy 2nd toilet. All bedrooms have built ins and a study off the kitchen is great spot if you need to work from home or maybe want to set up a craft/hobby space. There's internal access from the garage. Lovely easy care landscaped gardens have plenty of room for the trampoline or a vege patch, there's an enclosed glass deck with sea views, a private bbq area to entertain in, and the low maintenance brick and aluminium home keeps maintenance at a minimum.
