Looking for a family home in a peaceful part of town? Then look no further. Harrison street is a very quiet "no through" street in a very popular and sought after part of town. The home consists of three bedrooms, all have built ins and the main has an ensuite. There is a generous sized separate lounge room and a combined kitchen/ dining area that leads onto an undercover BBQ area. There is a garage underneath the home with a generous sized workshop space. The home is set on a large 920 square metre block which gives opportunity for the keen gardener or there is plenty of space to build a shed (STCA). There is currently a tenant in place leasing for \$350 per week.
