This rock-solid family home offers the best of both worlds and is in an enviable location just around the corner from Pipers Bay Reserve. You couldn't ask for more from a Forster property! An expansive and well-maintained front yard of rolling green lawn greets you as you arrive. The low-set, exposed brick façade is homely and welcoming, with a long driveway leading through the gated side entry to a rear garage. Entry is into the open-plan living, kitchen, and dining area, an adaptable space that presents beautifully. Filled with comforts like a split-system aircon unit, ceiling fan, plantation shutters, and downlights, you'll love the neutral tones with organic accents and the abundance of natural light. The contemporary kitchen is one of our favourite features in the home, coming with an island bench, a gas cooktop, an oven, a dishwasher, upmarket cabinetry, and masses of space to work. It's the perfect companion to your family's culinary exploits. There are three generous bedrooms, each with built-in robes, ceiling fans, and lush carpets. They're serviced by an exquisite main bathroom, fully tiled to a spellbinding aesthetic and featuring an oversized shower with a glass wall. It sits adjacent to the internal laundry, which has direct external access. The fully fenced and private backyard can host all the kid's play equipment, from trampolines to swing sets and everything in between. It offers plenty of space to grow for the family setting up their life here. Just a short walk to the lake & reserve and not far from the centre of town. You have shops, restaurants and amenities all close by. Do you and your family like what you see? Get in touch with the JKL team! We'd love to answer all your questions about this one.
