Beaming with natural light, this bright entertainer wows with its stylish presentation that merges contemporary finishes with a seamless integration of indoor and outdoor spaces, on a sprawling 1552sqm approx. allotment. Stepping inside a welcoming lounge room nurtures everyday relaxation and family celebrations, detailed with Yarra Oak floorboards, an angular ceiling and large windows overlooking the front garden. Centrally placed, with the dining zone and family room to either side, the stylish kitchen effortlessly caters to crowds with reclaimed timber benchtops, stainless-steel oven and grill, 5-burner cooktop, Westinghouse dishwasher plus a beautiful breakfast bench. Extending the space outside, there are two separate covered entertaining decks; one offering access to the carport, while the other rests at the rear and embraces a pot belly stove and tranquil views, leading down to the large, secure backyard and under home office/laundry. Completing the homes quality accommodation, you'll find four robed bedrooms, including the light-filled master with walk-through-robe to contemporary ensuite, accompanied by a modern family bathroom and powder room. Finished with 5-star gas ducted heating, evaporative cooling, split system air conditioning, under house storage, double carport plus a double garage.
