The property boasts complete fencing and security, featuring remote gate access leading to a spacious backyard that includes a sizable shed and outdoor entertainment space. Inside the main house, comfort is ensured with evaporative air conditioning, split systems, and ceiling fans in every room. The renovated bathroom adds modern convenience, complementing the two bedrooms equipped with built-in wardrobes. Additionally, there's an external laundry for added practicality. Separate from the main house, a self-contained unit or granny flat offers tiled flooring throughout. It comprises a combined bedroom and lounge area, complete with a brand-new kitchen and bathroom. For added privacy, this unit is fully fenced from the main house and includes its own designated car space and rear courtyard. Don't wait to late! Check out Hilary Street TODAY!
