Your opportunity is here to buy a great home that you can move straight into and enjoy. The home has tiled floors throughout the living areas, the three bedrooms have ceiling fans and split system A/C's throughout the home. The kitchen is user friendly with meals area and a window looking out to the pool. The lounge room has access from the front door and also the kitchen with a sliding door outside. The bathroom has been renovated and the toilet is separate, the laundry has enough room for your washing machine and a dryer if you want one. Did I mention in the back yard? there is a large flat roof patio that overlooks the below ground pool that has a shade sail to keep the hot sun off the kids as they swim and play and you can sit at the built-in bar while watching the footy. Then there is the shed and some lawn for the kids and dog to play on. A great starter property, good for a young family and also suits employee housing, only a leisurely walk to Bulgarra playing fields, tennis courts, large kids playground and the Rec Club.
