What more could you ask for? From the minute you enter through the elegant timber door and start to absorb the plethora of space on offer you will start to appreciate the care and attention to detail that has gone into perfecting the complete statement this amazing home makes. Tucked away on 607m<sup>2</sup> on the high side of the street, walking distance to local parks and enclosed Dog Areas, this immaculately presented and beautifully renovated home is ready for you to walk in and make it your own. Boasting two large living spaces decorated tastefully in a décor that is both modern and functional, your family will relish the separation and inclusivity on offer.
